The Yellow Sheet
LibriVox NaNoWriMo Project 2007

An atomic bomb explodes in the mountains of Montana. But was there really a bomb? And was it really in Montana, or in Tokyo? Are Liz and Elizabeth the same woman, is she married with children, is her husband a spy? These and many other questions are constantly asked, and answered, in this round-robin small book written and recorded by LibriVox volunteers during the National Novel Writing Month (NaNoWriMo) November 2007. (Summary by Gesine) Total running time: 04:44:45.
